The revision is against the order passed by the court below rejecting the application for condonation of delay of more then 4 years in filing the application to restore the suit which was dismissed for default. Consequently, the application for restoration was also dismissed .

2. Notice on admission was ordered on 26.06.2000. Till now, no steps are taken to issue notice to the respondents. A prayer is made to grant time to cure the defect. There is no justification in granting further time.

Accordingly, the Civil Revision Petition is dismissed.
